

PowerBurst Bonus Plan Overview

ProJoba's compensation plan is broken down into 4 areas.

- (1) **Residual income** (from personal customers and distributors you acquire)
- (2) **Residual overrides** (from purchases made within your organizations for 7 levels)
- (3) **Incentives** (Car Bonus, Infinity Bonuses & More...)
- (4) **PowerBurst Bonus Plan**

This document is designed to explain the **PowerBurst Bonus Plan**. This exciting bonus system is something totally new to the network marketing industry. This revolutionary bonus plan has taken the best features of other plans and combined them into one unbelievable bonus system.

We understand that it take time and persistence to build a strong residual income. With the ProJoba line of products and the power of Pollen Burst ProJoba has in place the key component that are needed for that residual income. Nothing replaces good quality products for the development of long-term income.

We also understand that you and others who join your teams want to start generating exciting income, right away. If you can earn good money now, while building a strong residual income stream, you have the perfect business opportunity.
